Interests/Hobbies/Awards:
Honor Role Student
Gate Student since Grade 5

Personal Statement:
Everyday I intend to grow, as a person, a friend, in my mind and as a player. I strive to learn and work hard for what I want, and that to achieve my goals, I have to learn from my mistakes. I remain humble and appreciative to those who help me achieve success along my journey. Softball has taught me to work hard, face adversity, learn how to accept defeat and relish in victory. I have been blessed to have coaches who believed in me as a person not only player and I would love to have a future in softball and give back and inspire the future generations of softball.
