## Personal Statement

Softball has been a huge influence and great part of my life. I have been playing since I was 5 years old. I have learned and currently learning many qualities along the way such as leadership, time management, caring for your teammates and bonding with them, determination, humbleness, confidence, and more. I absolutely love to bond and become the best of friends with my teammates by spending time with them over the summer and fall. Playing softball has let me grow so much, not only as a player, but as a person as well.
