Personal Statement

Of all the sports, softball was one of the most difficult for me. That is why I fell in love with it. Working hard and persevering makes success that much sweeter. Though I struggle at times, I have endured the lows and conquered many obstacles to earn everything given. My love for softball is only overshadowed by God, my family, and my friends. I am so thankful for a family that was willing to sacrifice time, energy, and money into a dream that wasn't their own. I am grateful for the opportunity to play a game that I love and compete at an elite level. I plan to make the most of it. My determination, discipline, work ethic, grace and more is what I bring to every team that I am a part of and make it the best that it can be. I love God, and know that with Him I can accomplish anything.
