## Personal Statement

I've been playing softball for as long as I can remember, since like 4 years old, and my goal is to play at the collegiate level. I work hard on and off the field to perfect my hitting, fielding, and game IQ. I am coachable and always want to learn from my mistakes and make the adjustments I need to make. Softball is a team sport and I always encourage my teammates as well as celebrate their successes with them. I also come from a great family with amazing and supportive parents who are at every game.
