Personal Statement

My passion for softball started when I was 5. Sports has taught me to be disciplined and determined in that I can do anything I set my mind to. My goal is to play at a collegiate level and keep excelling academically and athletically. I have developed through the years strong pitching skills, very balanced powerful swing at the plate and have a high softball IQ. I am very coachable, high energy and always cheering my teammates on. I train hard year-around and my work ethic is one of my strong qualities. I work well under high pressure situations. Balancing school, sports, family and friends is challenging at times but I handle it very well. I have a great support system. Through softball I have made great friendships and become part of many families that will last a lifetime. I believe my passion for the game and dedication will help me accomplish my dreams.
